

**The Oakland County Dental Assistants Society and
Genesee District Dental Assistants Society present
Saturday March 28, 2020**

St. Joseph Mercy Oakland Hospital, Pontiac

Mission of Mercy: A Dental Access to Care Initiative

May 28-31, 2020 the Michigan Dental Association Foundation will host Michigan’s fifth MOM event. Join us to learn more about how you can use your talents to serve the many Michigan citizens who have unmet dental needs.

- * **Discuss Access to care**
- * **Watch a video from a previous MOM event**
- * **View a power point presentation showcasing the various sections of the MOM**
- * **Discuss how a MOM event comes together and what is involved with infection control, medical waste, supplies, instruments, working with dentists you don’t know and many more topics.**
- * **Learn what to bring, or not bring, what to wear, what to eat, how to register, what department to sign up to work in, who can volunteer and more.**
- * **Get all your questions answered.**

Seminar will be presented by Lori Barnhart, CDA, RDA, FADAA, the Supply Lead for Michigan’s MOM event.

Lori is a chairside assistant in Flint, MI, contracts with Complete Mobile Dentistry providing dental services for our military and previously worked with Meer Dental and Henry Schein Dental as a customer service representative. Lori is a 1988 Mott College Dental Assisting Program graduate, three- time Past President of the Michigan Dental Assistants Association and has also served as both a Trustee and Officer for the American Dental Assistants Association as well as many positions at the local level in Flint. She currently serves on the Dental Advisory Committee for Mott College, is a new member of the MDA Foundation board, and is an RDA representative on the Michigan Board of Dentistry. Lori enjoys speaking to dental assisting societies and students on membership, legislative issues, and dental assisting rules. She has served as MOM supply lead for the previous four Michigan

MOMs and has also worked MOM events in Iowa and Indiana.
