Dr. Maihofer served as the Chair for the MDA's Committee on Peer Review Ethics for 9 years from 2008-2017. He is the author of the well-known "Peer Review/Ethics" column in the MDA Journal as well as a compendium of those columns, published as a book, *Most-Asked Ethics Questions*, published in 2019. Mike also served as Editor of the *Journal of the Michigan Dental Association* and is a past president of the American Association of Dental Editors and Journalists. Dr. Maihofer was elected president of the Michigan Dental Association in 2021

Mindy Schlaud, CDA, RDA, BA is a class of 2000 graduate of Mott Community College receiving her A.A.S and completing the dental assisting program. She received her B.A in Human Biology from University of Michigan Flint in 2012 and is currently completing an M.A. degree at Michigan State University in Higher, Adult, and Lifelong Education. She has practiced as a Registered Dental Assistant in Genesee County since 2000. As Adjunct Dental Assisting Faculty in Mott Community College's Dental Assisting program since 2014, she has been an instructor in Dental and Oral Anatomy, Dental Office Emergencies, Dental Materials, Dental Specialties, Business Office Procedures as well as Expanded Functions lectures and laboratories. Lastly, she is the Website Coordinator and President Elect for the Michigan Dental Assistants Association.

Wendi Sparks, RDH Wendi is a seasoned dental professional with a wealth of experience and expertise in the field of oral health. After graduating from dental hygiene school at Oakland Community College in 1995, she obtained a bachelor's degree in Oral Health Promotion. Currently pursuing her Master of Arts in Learning and Digital Technology at Central Michigan University, she is learning how to incorporate digital media advancements into the realm of dental education. Wendi's career in dentistry spans over four decades, demonstrating her dedication and passion for promoting optimal oral health care. Beginning her journey as a dental assistant, Wendi's commitment to advancing her skills led her to become a dental hygienist. After many years in clinical practice, she was inspired to become a dental hygiene coach, providing invaluable guidance in implementing protocols and systems within dental hygiene teams. Her focus on developing cohesive systems and protocols has played a pivotal role in enabling dental practices to achieve their full potential and maintain optimal oral health for their patients.

Wendi's commitment to education extends beyond her learning journey. For over 13 years, she has been a dedicated educator; teaching dental hygiene courses at institutions such as Mott Community College in Flint, Lansing Community College, and Oakland Community College in Union Lake, MI. In these roles, she serves as a clinical instructor, and radiography instructor, and teaches didactic courses; to both junior and senior dental hygiene students. Wendi's influence in the dental community extends to researching and creating continuing education courses. Her expertise has positioned her as a speaker at dental events, where she addresses critical topics such as Periodontal Diseases and Gingivitis, as well as the impact of Hookah on oral health.

In addition to her educational endeavors, Wendi is an active member of the American Dental Hygienists' Association (ADHA) and the Wayne County Tobacco Free Coalition. Her involvement in the latter reflects her commitment to promoting awareness of tobacco use prevention and cessation, showcasing her dedication to the broader aspects of public health. Wendi's career is fueled by a passion for achieving dental excellence, pursuing professional development, and being committed to mentorship- of which she hopes to leave an indelible mark on both her students and the broader field of dentistry.

Mona Riaz, RDH, RDA, MS is the Oral Health Workforce Consultant for the Michigan Department of Health and Human Services (MDHHS). She has been part of the dental field for over 15 years and has held positions within a variety of professional settings. These include private practices, community clinics, school-based programs, academia, clinical research, and public health.

Mona has been with the MDHHS since 2023 and her duties include addressing the dental workforce needs of designated dental health professional shortage areas through supporting the implementation of dental therapy in Michigan.

Mona received her Bachelor of Science in dental hygiene and Master of Science in dental hygiene from the University of Michigan.

Paulo Zupelari Goncalves accomplished his DDS degree from the Bauru School of Dentistry, University of São Paulo (FOB/USP, 2009), his Oral and Maxillofacial Surgery degree at Bauru Base Hospital (2013), his MS (2016) in Sciences (Oral Biology)(Efficacy of oral diclofenac with or without codeine for pain control after invasive bilateral third molar extractions, IJOMS, 2017) from the Bauru School of Dentistry, University of São Paulo (FOB/USP) and his PhD (2016 – 2019) in Oral and Maxillofacial Surgery from Araçatuba School of Dentistry, University of the State of São Paulo (FOA/UNESP). He accomplished the position of Professor at the Oral and Maxillofacial Surgery department at the University Center of Ourinhos (UNIFIO, 2018-2020), where he developed his academic and scientific career. During his formation, in graduation, he was granted a scholarship program as student of the Tutorial Educational Program – PET (2007 – 2009) which allowed him to develop his researching, learning, and teaching skills. He had the opportunity to be a visiting Externship Student (June 2009 – August 2009) in the Department of Oral and Maxillofacial Surgery at the University of Michigan, Michigan, U.S.A. In 2014, he received his Specialist Health Management degree from the Botucatu Medical School, University of the State of São Paulo (FMB/UNESP). Still in 2014, he became member of the Brazilian Society of Oral and Maxillofacial Surgery (SOBRACIBU) and received an honor award as the best surgeon applying for that society on that year. In 2015, he completed the Preventing Chronic Pain course offered by the University of Minnesota, Minnesota, U.S.A. In the same year of 2015, he became member of the Brazilian College of Oral and Maxillofacial Surgery. In 2017 he became member of the International Team for Implantology (ITI) and in the year of 2019 he became fellow of the International Association of Oral and Maxillofacial Surgery (IAOMS). From 2013 to 2020 he held the position as chief of the Oral and Maxillofacial Surgery Service at Santa Casa de Pederneiras Hospital – SP, and assistant surgeon of the Oral and Maxillofacial Surgery Service of Santa Casa de Marília Hospital – SP. From 2015 to 2020 he coordinated the Trainee Program of Oral and Maxillofacial Surgery at Santa Casa de Pederneiras – SP Hospital. From 2016 to 2020 he acts as the Coordinator of the Implants Specialization Program of São Paulo Center West University – FACOP in the cities of Bauru and Sorocaba - SP. From 2020 to 2022 he completed his TMJ and Orthognathic Surgery Fellowship program at the University of Michigan. Since 2022 he is the director of the predoctoral program at the Oral and Maxillofacial Surgery Department at the University of Michigan. In the same year of 2022, he became a member of the Chalmers J. Lyons Academy, and he is a member of the American Association of Oral and Maxillofacial member since 2023.
